## LDS MISSIONARIES AND MEMBERS HELP MAKE BLANKETS FOR THE HOMELESS

### Warm Hands and Warm Hearts

Corona, CA - On December 28, 2020, thirteen bolts of fleece fabric were dropped off at the Area JustServe Specialist Donnette Wheat's home donated by Karen Alexander the Planning and Housing Commissioner for the City of Corona. The City of Corona, City Net (a non-profit that helps the homeless in Corona), the HOPE team (Corona PD), Missionaries and over 40 members from The Church of Jesus Christ of Latter-day Saints partnered to make and distribute blankets for the homeless during these winter months. The Corona Stake Missionaries gathered together at the stake center to cut the fleece, then over 40 community and church members picked up the fabric and tied them into blankets. The fabric remnants were also made into scarves. The Corona PD Hope Team and City Net distributed the blankets and scarves to the homeless soon after.

## LDS CHURCH HELPS AT HOMELESS CHILD EVENT

Article by Kimberly Lay

Corona, CA December 20, 2020, The Corona Stake Communications Council and Relief Society partnered with the non-profit Angels Over Cliffs and Crossroads Church to help with their homeless child event. Over 65 homeless children were adopted by church members and given toys for Christmas. The Relief Society helped coordinate the donated gifts to the children. During the day of the event, the LDS Communication Council helped set up, DJ the Christmas music, pass out food to the homeless families, and help coordinate visits with Santa and the Grinch to each family. After the event, Angela Hair the director of Angels Over Cliffs non-profit said "It took an army and we are so incredibly thankful beyond words. Truly you are all amazing! Thank you Jesus for sending out your army. These kids had a blast thanks to you equipping us all, and glory to God."
